# COMPANY PROFILES »»

Jiangyin Huaxing Diamond Tool Factory is a leading professional manufacturer of all kinds of diamond tools in China. We have professional R&D team of new products, complete production equipment and advanced production technology. Now we have six series of diamond saw blade, diamond drill bit, diamond grinding& polishing tools, diamond carving tool, diamond file, diamond sharpening tool and more than 200 varieties.

we have mastered the diamond abrasive plating and brazing technology and abrasive layout technology. The brazed diamond tools have high processing efficiency and life, and you will benefit greatly from using our high-tech products.

# CONTENTS »»

1.Diamond Saw Blade -----	01
2.Diamond Core Drill Bit -----	09
3.Diamond Grinding&Polishing Tool -----	20
4.Diamond Sharpener Tool-----	33
5.Carbide Tool -----	37
6.Diamond File -----	41
7.Diamond Mounted Point -----	44
8.Other Accessories -----	45

### ⚙️ Vacuum Brazed Diamond Saw Blade
